Redeem Smart Token Voucher

<https://purchase.integraledger.com>

This document contains tokens for use with Integra Ledger

Within this document is the encrypted information of how to redeem the tokens that were issued. The passphrase for decrypting this document was sent to the phone number that was entered when requesting these tokens. Visit the link above, then when prompted, drag and drop your Integra Smart Identity document and enter the passphrase that was used when you created your Integra Identity, not the one that was sent to your phone via text. Once confirmed, on the purchase token page, click on the link "Smart Token Voucher Redemption" where you will drag and drop this document. Enter the passphrase that was sent to your cell phone and upon success, the tokens will be added to your account. To confirm the tokens, there will be a link on the confirmation page that can be clicked on and will take you to the Integra Blockchain Explorer. Thanks for using Integra and enjoy the tokens!
